OUR NORTH DAVIDSON  
MILL TOWN

*As the 1800s came to a close and a new century came about, North Carolina became the home of dozens of textile mills - the Johnson Mills and Highland Mills as examples. Here, textiles, like the still-popular Gingham fabric were created on mills and sold throughout the world. As was often the case, mill owners would build homes for their operatives surrounding those textile manufacturing facilities. The result: a sprouting up of a little town.*

*Welcome to the former mill town of North Charlotte - now known as NoDa.*

*Please pay and tip with credit/debit cards whenever possible.*
